OFFICE OF THE MINISTER FOR
LABOUR, HOUSING AND TRANSPORT

BANGALORE

Dated, 8th May 1964.

MINUTE.

The Taluka Level Committee, Hunsur, consisting of the District Forest Officer, South Coorg Division, the Assistant Commissioner, Mysore Division, and the President Taluk Development Board, Hunsur, constituted sometime back to examine the places where forest lands could be released for cultivation and where revenue lands could be given to the Forest Department etc. has recommended that, among others, the lands belonging to the Forest Department, in survey Nos. 4 and 5 of Varanchi village, Hunsur taluk, which are now under unauthorised cultivation may be released for cultivation by landless poor people under Darkhast Rules. Almost all the area under these survey numbers are being cultivated unauthorisedly and it would rather be difficult to evict them, if there is delay on the part of Government further. It is also likely that some part of these lands will become wet, shortly. As such, no useful purpose will be served by keeping these lands under the Forest Department and any further delay would complicate matters as reagrds eviction of undeserving unauthorised cultivators, it is suggested that early orders may be issued releasing these lands in survey Nos. 4 and 5 of Varanchi, Hunsur taluk from the Forest Department to the control of Revenue Department so that these lands could be disposed of to the deserving applicants as per Darkhast Rules.

4) A report of the CCF has been obtained with reference to the minute of the Minister for Labour, Housing & Transport, which is at pages 3 to 5 c/f and may kindly be perused. It is seen from this report that Taluk Level Committee has recommended only for the lease of 189 acres 7 guntas out of S.No. 4 and 5 of Varanchi, Hunsur Taluk, reserving 300 acres to the Forest Department. It may not be

Transfer - S.Nos. 47 & 59

AFD 52 FRL 64

possible to regularise the encroachments which are at present in an area of 250 acres and the CCF has added that ~~xxxxxxxxxxxxx~~ action is being taken to evict encroachers through a Court of Law. ~~xxxxx~~ The entire area (including the area that has been ~~ordered~~ recommended by the TR Committee for being transferred to R.D.) is still under the control of the Forest Department. In view of this, since only 189 ~~xxx~~ acres 7 guntas has been ~~ordered~~ recommended by the TR Committee to be released for cultivation purposes, the encroachments in other areas will have to be vacated by the Forest Department, ~~and~~ even in the areas which have been released for cultivation, action will have to be taken by the R.D. to vacate the encroachers, if need be, before granting these lands to deserving cases.
